PROFESSIONAL SUMMARY

Senior Project Manager in BIM/VDC with 8+ years of progressive growth at a single employer — from BIM Construction Engineer Intern through Senior PM — leading multimillion-dollar healthcare, government, and life sciences projects from pre-construction through commissioning. Manages project teams of up to 15, owns financial and schedule accountability, and is equally effective directing teams or working hands-on in Revit modeling and BIM coordination.

PROFESSIONAL EXPERIENCE

Senior Project Manager, BIM/VDC

July 2024 – Present

Sanveo, Inc. — San Francisco Bay Area, CA

- Manage a portfolio of 8 concurrent projects, including the Gilead Sciences life sciences facility (Foster City, CA) and the Sutter Health hospital on J Street (Sacramento, CA).
- Balance portfolio leadership — client relations, financial/schedule accountability, cross-team oversight — with hands-on Revit modeling and BIM coordination when projects need technical depth.
- Directed a team of project managers across multiple projects before right-sizing the structure to sharpen project-level focus.

Project Manager, BIM/VDC

July 2023 – July 2024

Sanveo, Inc. — San Francisco Bay Area, CA

- Led BIM/VDC delivery on the Sacramento State Capitol Annex, a large-scale electrical scope with a team that peaked at 15, delivering a 53% profit margin — exceeding benchmark.
- Owned coordination, modeling, shop drawings, and prefabrication drawings across both the Courthouse and Capitol Annex, from underground utilities through commissioning.
- Owned stakeholder management, estimation, and schedule/financial accountability across an expanding project load.

Assistant Project Manager, BIM/VDC

April 2022 – June 2023

Sanveo, Inc. — San Francisco Bay Area, CA

- Managed the Sacramento Superior Courthouse project (multi-million-dollar, 12-person team, 30+ months) — team leadership, client-side management, and BIM coordination — delivering a 38% profit margin, exceeding benchmark.
- Drove strategy, estimation, and bid preparation that kept projects on schedule and maintained strong client retention.

Senior Project Engineer, BIM/VDC

July 2021 – April 2022

Sanveo, Inc. — San Francisco Bay Area, CA

- Owned financial and schedule accountability for a ~2-year, multimillion-dollar project; managed stakeholder relationships and led RFI preparation and management.

BIM Construction Engineer, BIM/VDC

August 2018 – July 2021

Sanveo, Inc. — San Francisco Bay Area, CA

- Modeled electrical trade scope in Revit and led coordination in Navisworks Manage, supervising a team of 3 detailers across multiple concurrent clients and projects.
- Delivered a healthcare project throughout the pandemic while maintaining project coherence, achieving strong financial results without compromising quality.

BIM Construction Engineer – Intern, BIM/VDC

January 2018 – June 2018

Sanveo, Inc. — San Francisco Bay Area, CA

- Performed QA/QC on markups and Revit models; maintained the query log, reviewed clashes, and proposed resolutions.

EDUCATION

California State University, East Bay — MS, Construction Management

2018

Visvesvaraya Technological University — BE, Civil Engineering

2015

SKILLS & CERTIFICATIONS

Leadership: Hands-On Technical Leadership, Project & Team Management, Multi-Project Portfolio Oversight, Stakeholder Management, Financial & Schedule Accountability

Technical: Autodesk Revit, Autodesk Navisworks Manage, Revizto, BIM Coordination & Clash Detection, Trade Coordination (Electrical), QA/QC, MS Project & Office Suite

Sectors: Healthcare, Life Sciences, Government/Civic Facilities

Certifications: OSHA 30-Hour Outreach Training Program, LEED Green Associate (LEED GA)
